

I AM VERY SORRY

I had been **mistranslating**

' name as
Getsuto,

when it was
supposed to be

Getto.

kanji: 月人

hiragana: げっと

how I read it: げっと

<- I didn't notice how the
つ(tsu) was sized down
during times when he
had furigana over it

Please accept my deepest apologies.
His name will be written as
"Getto"
from now on.

please
forgive me

I'd like to express my sincere gratitude for the reader who informed me of this miss.
Thank you.

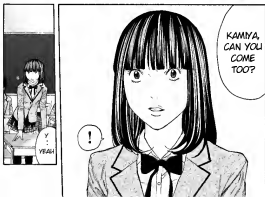

I'LL FORGIVE YOU SERIOUSLY
